# WORKSHOPS 2008

Produced in cooperation with SIA and NSAA

**Sponsors:** ATOMIC / SALOMON GRINDRITE / WINTERSTEIGER HEAD / TYROLIA MARKER / VOLKL ROSSIGNOL / LOOK VERMONT SKI SAFETY

The ***Ski and Snowboard Mechanics Workshops*** will begin the nineteenth season under faculty management this September. The schedule below covers visits to 18 ski areas across the country. On Day 1, we offer three full-day courses: Binding Mechanics Basic, Binding Mechanics Advanced, and Rental Mechanics Update. The binding and rental courses are **accredited by the major alpine binding suppliers**. On Day 2 at seven locations the full-day course options are: Ski Tuning & Repair and Snowboard Tuning & Repair. At five locations we will also offer a one-day *Management Seminar*.

The per-day-fee for all courses starts at \$165 and increases as the date for the Workshop in your area approaches--up to \$225 for registration on the day of the event. To register now, fill out the attached form and Fax or mail it to the address below. Visit our website for lodging and travel information.

## WORKSHOPS

### DAY 1

(Each course is an **all-day event**)

#### BMB-1 ALPINE BINDINGS - Basic

Entry level binding mechanics. Hands-on training in the installation and inspection of major brands and the use and care of hand and power tools.

#### BMA-1 ALPINE BINDINGS - Advanced

Mechanics certified by at least one supplier last season. Hands-on training in the installation, inspection, and troubleshooting of major brands.

#### RMU-1 ALPINE RENTAL - Update

Rental technicians of all levels. Hands-on training in hand and power tools, binding installation, preseason, in-season, and post accident inspection, and dispatch procedures.

### DAY 2

(Each course is an **all-day event**)

#### STR-2 SKI TUNING AND REPAIR

Ski mechanics of all levels. Hands-on training in hand and machine techniques for sanding, base repairs, stone grinding, edge tuning, and waxing of skis. Also, hands-on training in delamination, sidewall, edge, bent ski, and major base repair.

#### SBR-2 SNOWBOARD TUNING AND REPAIR

Snowboard Mechanics of all levels. Hands-on training in hand and machine techniques for sanding, base repairs, stone grinding, edge tuning, and waxing of snowboards. Also, hands-on training in T-nuts, delamination, edge and major base repair.

## SEMINARS

### DAY 3

(Course is an **all-day event**)

#### RSC-3 RENTAL / SERVICE MANAGEMENT AND EMPLOYEE TRAINING SEMINAR

Rental shop and service center owners and managers. A course in the organization and operation of rental and service facilities of all sizes. Includes pre-season, in-season and post accident inspection, maintenance, record keeping, boot sizing, ski maintenance, equipment storage and dispatch, evaluating shop efficiency, and in reorganizing layout and procedures to maximize efficiency. Also, how to organize and deliver in-shop employee training programs.

## REGISTRATION INSTRUCTIONS

- (1) Enter Company details, your name, title, and signature.
- (2) Circle the Location # of the Workshop or Seminar site your staff will attend. Do not circle more than one location. Use a separate form if attending more than 1 location.
- (3) Enter the number of persons attending each course (see Course Descriptions page).
- (4) Check the appropriate Tuition rate.
- (5) Add the number of persons attending each day, multiply the total by the Tuition Rate, and enter the Amount Due in the space provided.
- (6) Check Method of Payment. Enter credit card information or if paying by check, make it payable to **WORKSHOPS 2008**.

**Use this form to register by fax or mail. Only credit card reservations may be made by Fax. Include check or credit card if registering by mail.**

(8) Do not include the names of those attending at this time. **Travel instructions can be found on our website.** A Confirmation Form will be sent to you by return mail or Fax prior to venue. Record attendee names on that form and return it to us by Fax at least a week prior to the venue.

## TUITION RATES (per person)

**Early Registration:** (before Aug 10) \$165/day  
**Registration:** (more than 2 weeks prior) \$175/day  
**Late Registration:** (2 weeks or less prior) \$195/day  
**Space Available:** (day of venue) \$225/day  
**SPECIAL RATES:** Call for groups of 10 or more

**REFUNDS AND PENALTIES** - Course changes can be made at any time without penalty if space is available. Reservations may be canceled at any time up to 72 hours prior to the venue for a fee of \$15 per attendee-day canceled. All cancellations made after that date will be subject to an additional \$60 per attendee-day penalty. No refunds will be made after the venue begins.

**COURSE CANCELLATION** - Workshops/Seminars 2008 reserves the right to drop courses up to 5 days prior to a Workshop/Seminar and to cancel an entire venue up to 10 days prior to the advertised date. Registrants will be notified of course changes and cancellations by telephone, Fax, or certified mail. Fees will be refunded if reservations cannot be rescheduled to the attendee's satisfaction.

**PLEASE NOTE** - Attendance at binding or rental courses is strictly limited to bona fide shop and ski area personnel and their guest
