# WORKSHOPS 2007

*Hands-on training for snow sport technicians and managers*

*Produced in cooperation with SIA and NSAA*

**Sponsors: ATOMIC GRINDRITE/WINTERSTEIGER HEAD/TYROLIA MARKER NAXO  
ROSSIGNOL/LOOK/ROXY SALOMON VERMONT SKI SAFETY**

The ***Ski and Snowboard Mechanics Workshops*** begins its eighteenth season under faculty management this September. The schedule below covers visits to 15 ski areas across the country. On Day 1, we offer three full-day courses: Binding Mechanics Basic, Binding Mechanics Advanced, and Rental Mechanics Update. The binding and rental courses are accredited by the major binding brands. New this year—**AT bindings**. On Day 2 the full-day course options are: Ski Tuning and Repair or Snowboard Tuning and Repair.

At four locations we also offer a one-day management seminar. This program provides advanced professional training for snow sport rental shop and service center managers. The per-day-fee for all courses starts at **\$165** and increases as the date for the Workshop in your area approaches--up to \$225 for registration on the day of the event. To register, fill out the attached form and Fax or mail it to the address below. Visit our website for lodging and travel information.

## WORKSHOPS

(Each course is an all-day event)

### DAY 1

#### BMB-1 ALPINE BINDINGS - Basic

Entry level binding mechanics. Hands-on training in the installation and inspection of major brands and the use and care of hand and power tools.

#### BMA-1 ALPINE BINDINGS - Advanced

Mechanics certified by at least one supplier last season. Hands-on training in the installation, inspection, and troubleshooting of major brands.

#### RMU-1 ALPINE RENTAL - Update

Rental technicians of all levels. Hands-on training in hand and power tools, binding installation, preseason, in-season, and post accident inspection, and dispatch procedures.

### DAY 2

#### STR-2 SKI TUNING AND REPAIR

Ski mechanics of all levels. Hands-on training in hand and machine techniques for sanding, base repairs, stone grinding, edge tuning, and waxing of skis. Also, hands-on training in delamination, sidewall, edge, bent ski, and major base repair.

#### SBR-2 SNOWBOARD TUNING AND REPAIR

Snowboard Mechanics of all levels. Hands-on training in hand and machine techniques for sanding, base repairs, stone grinding, edge tuning, and waxing of snowboards. Also, hands-on training in T-nuts, delamination, edge and major base repair.

## SEMINARS

(Course is an all-day event)

### DAY 3

#### RSC-3 RENTAL & SERVICE CENTER MANAGEMENT

Rental shop and service center owners and managers. A course in the operation of rental facilities of all sizes. Includes pre-season, in-season and post accident inspection, maintenance, record keeping, boot fitting, ski maintenance, equipment storage and dispatch, evaluating shop efficiency, and reorganizing layout and procedures to maximize efficiency. Also covered: how to organize and operate an efficient ski equipment service facility. Includes shop layout, work scheduling, employee training, equipment maintenance, record keeping, and safety considerations.

## REGISTRATION INSTRUCTIONS

- (1) Enter Company information and your name, title, and signature.
- (2) Circle the Location # of the Workshop/Seminar site your staff will attend. Do not circle more than one location. If necessary, make additional copies of this form.
- (3) Enter the number of persons attending each course (see Course Descriptions page).
- (4) Check the appropriate Tuition rate.
- (5) Add the number of persons attending each day, multiply the total by the Tuition Rate, and enter the Amount Due in the space provided.
- (6) Check Method of Payment and, if appropriate, enter credit card information. If paying by check, make it payable to WORKSHOPS 2007.
- (7) Cut out or copy the Registration form and mail with the correct amount due to the address below. Only credit card reservations may be made by phone or Fax.
- (8) Do not include the names of those attending at this time. Travel instructions can be found on our website and a Confirmation Form will be sent to you by return mail or Fax. Record attendee names on that form and return it to us by Fax at least four days prior to the venue.

## TUITION RATES (per person)

**Registration** (More than 2 weeks prior) \$165/day  
**Late Registration** (2 weeks or less prior) \$185/day  
**Space Available Reg.** (Day of venue) \$225/day  
**SPECIAL RATES** - Groups (10 or more per day) Call.

**REFUNDS AND PENALTIES** - Course changes can be made at any time without penalty if space is available. Reservations may be canceled at any time up to 72 hours prior to the venue for a fee of \$15 per attendee-day canceled. All cancellations made after that date will be subject to an additional \$60 per attendee-day penalty. No refunds will be made after the venue begins.

**COURSE CANCELLATION** - The Ski and Snowboard Mechanics Workshop reserves the right to drop courses up to 5 days prior to a Workshop/Seminar and to cancel an entire venue up to 10 days prior to the advertised date. Registrants will be notified of course changes and cancellations by telephone, Fax, or certified mail. Fees will be refunded if reservations cannot be rescheduled to the attendee's satisfaction.

**PLEASE NOTE** - Attendance at binding or rental courses is strictly limited to bona fide shop and ski area personnel and their guests.
